PARTICIPATION concerns taking part and sharing in the activities around us. It means carrying our share of the load—in the classroom, on the athletic field, in the family, in the church of our choice, and in the community. The ideal Piper who **PARTICIPATES** proposes new ideas and makes constructive suggestions. This person helps promote school activities and initiates encouragement in defeat as well as in accomplishment. The proud Piper is willing to render cheerfully and enthusiastically any service to his school or community that will lead to a better world.

Ralph Waldo Emerson once said, "We (Americans) will walk on our own feet; we will work with our own hands; we will speak our own minds." This historic statement states the theme and attitude of the Piper staff of 1977. We have endeavored to reiterate the spirit that has prevailed throughout our heritage.

Football Season Festivities

Coach Andy Lowe completed his first full year at HHS.

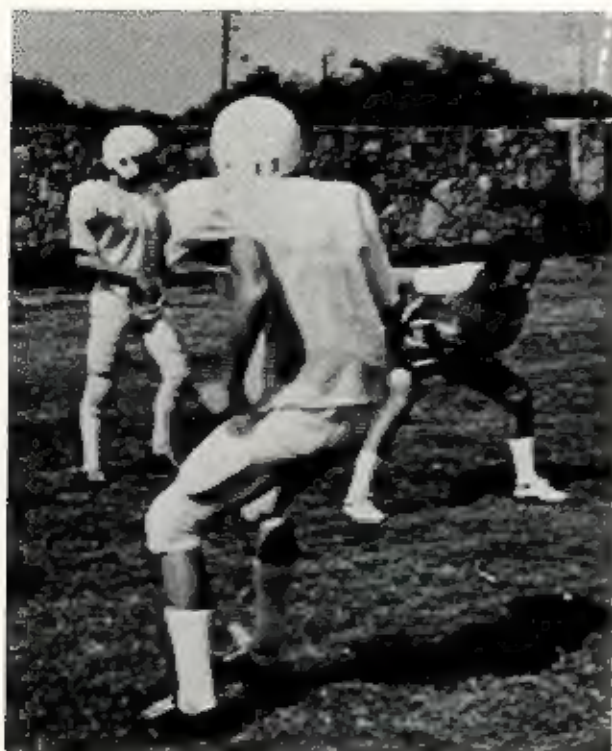

Two-a-day workouts begin in the summer heat of August.

Nearly 60 athletes play football at HHS.

Students and players alike enjoy pep rallies outside before autumn reaches its peak.

Coach Garry Bartee prepares the secondary.

Hours of practice and effort result in spirited pep rallies and creative run-through signs.

Envelop Everyone At HHS

The twirlers and drum major join the cheerleaders in the "Frankenstein" during the Pipers' win over Stamford.

Lisa leads the band in a rousing, "spirit-building" piece.

Quarterback Paul Reynolds seldom found the going rough, as Hamlin knocked off Knox City.

Piper Participation Encompasses

The band puts in hours of practice to provide the rousing music needed at successful pep rallies.

Delbert Thompson epitomizes Piper football as he scores against Knox City.

All HHS students take part in the democratic process as they function as classes to elect officers and favorites, plan banquets and choose money-making projects; as the Senior Class does above.

A Plethora of Popular Pursuits

The Marching Green lends excitement, leadership in vocal support, and colorful halftime shows to the football games.

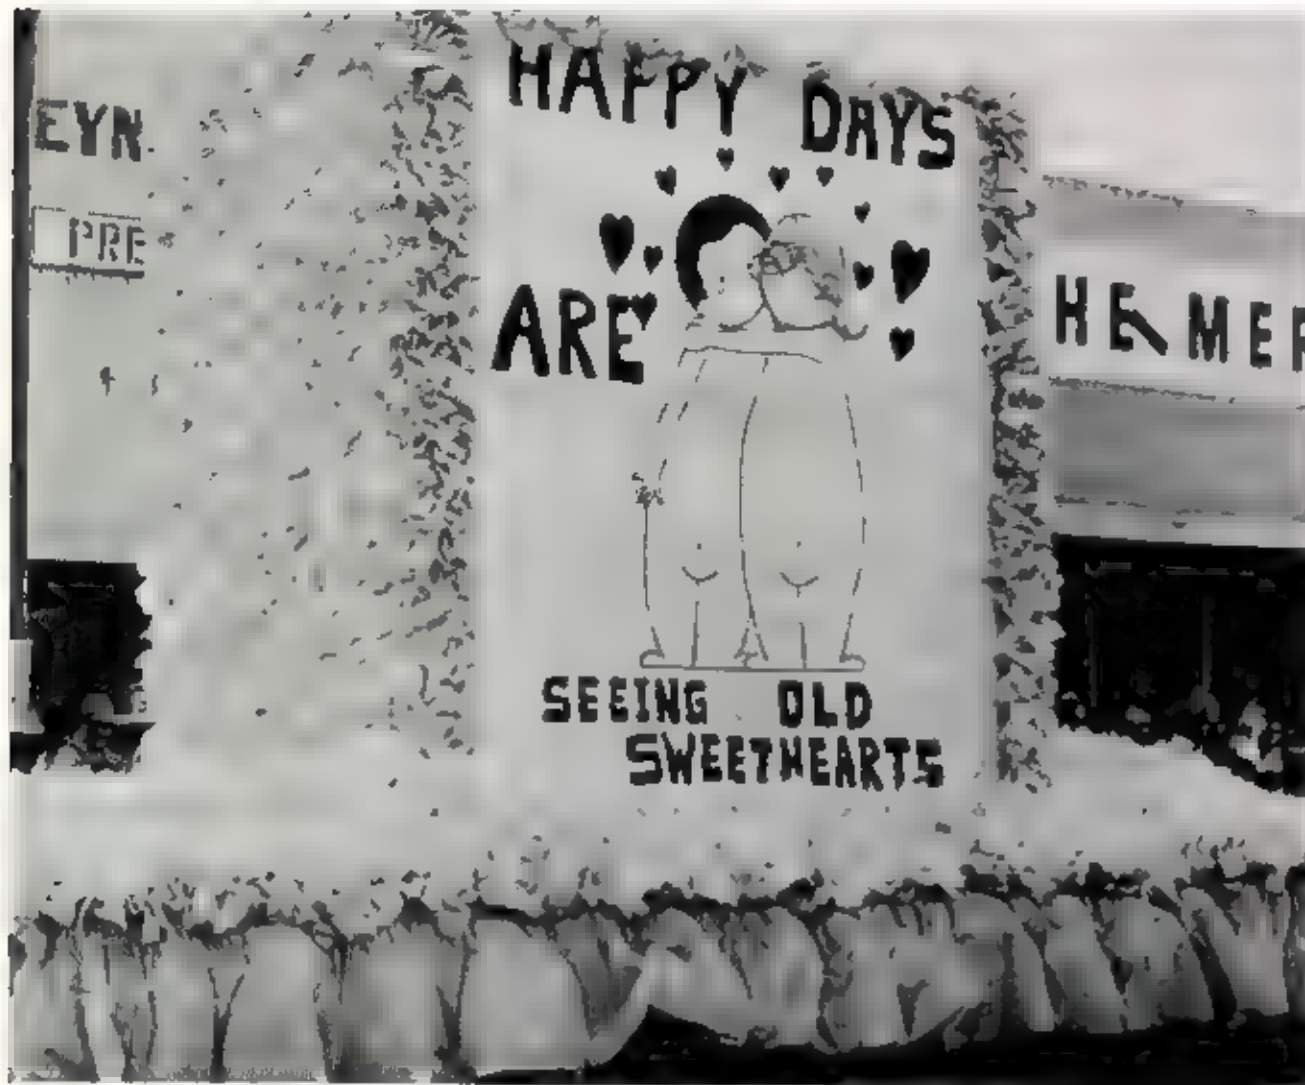

Coach Grissom was awarded the Stamford game ball to symbolize his first win at the Hamlin helm.

The 10-foot Pied Piper, placed at the south entrance of the city as part of a Bicentennial project, a proposed roadside park, was destroyed July 18. The project of 52 work days was constructed of two-inch pipe, steel rods, wire lath, cement and plaster. Rev. and Mrs. Joe Norton headed a score of volunteers in the construction of the mascot.

EVERYONE PULLS TOGETHER

The freshman float adds beauty to the Homecoming Parade.

Lisa gives instructions to the band for a good halftime show.

Coach Grissom raises spirits before the Homecoming Game.

The Junior Float was one of many attractions of the Homecoming Parade.

For a Successful Homecoming

The Sophomore Float surprises everyone with their "hard luck" float.

Elise receives a warm congratulation kiss from her father for being crowned Homecoming Queen.

The coaches and the players on the side line watch as the Pipers beat Paducah 27-6 for the Homecoming Game.

President Ford's Son, Steve,

Steve Ford, son of President and Mrs. Gerald R. Ford, brought the presidential race to focus in Hamlin Oct. 5 with an informal speech and question-answer session in the HHS cafeteria. The civics classes posed questions covering the various campaign issues to the well-informed and plain-speaking, 21-year-old Ford to highlight the 45-minute session. The experience helped enlighten and spur interest in the student body for the upcoming election. The youthful Ford also attended a reception at the First Baptist Church and a luncheon with the Lions and Rotary Clubs during his visit.

Yearbook Staff Dedicates

Miss Dora Mitchell

1977 Piper to Miss Mitchell

Typing, bookkeeping, the Junior Class, cheerleading and U. I. L. contests are five emblematic reasons for the choice of Miss Dora Mitchell as 1977 Piper "dedicatee."

Even though the business subjects are her main responsibility, Miss Mitchell's worth is best symbolized by her extra-curricular involvement. Year after year, she sponsors a class, directs the cheerleaders and instructs students in the "art" of U. I. L. competition.

Although "ruffling feathers" as a stern disciplinarian, Miss Mitchell touches all Pipers with a sense of morality, judgment and direction.

Celebrities Elected at HHS

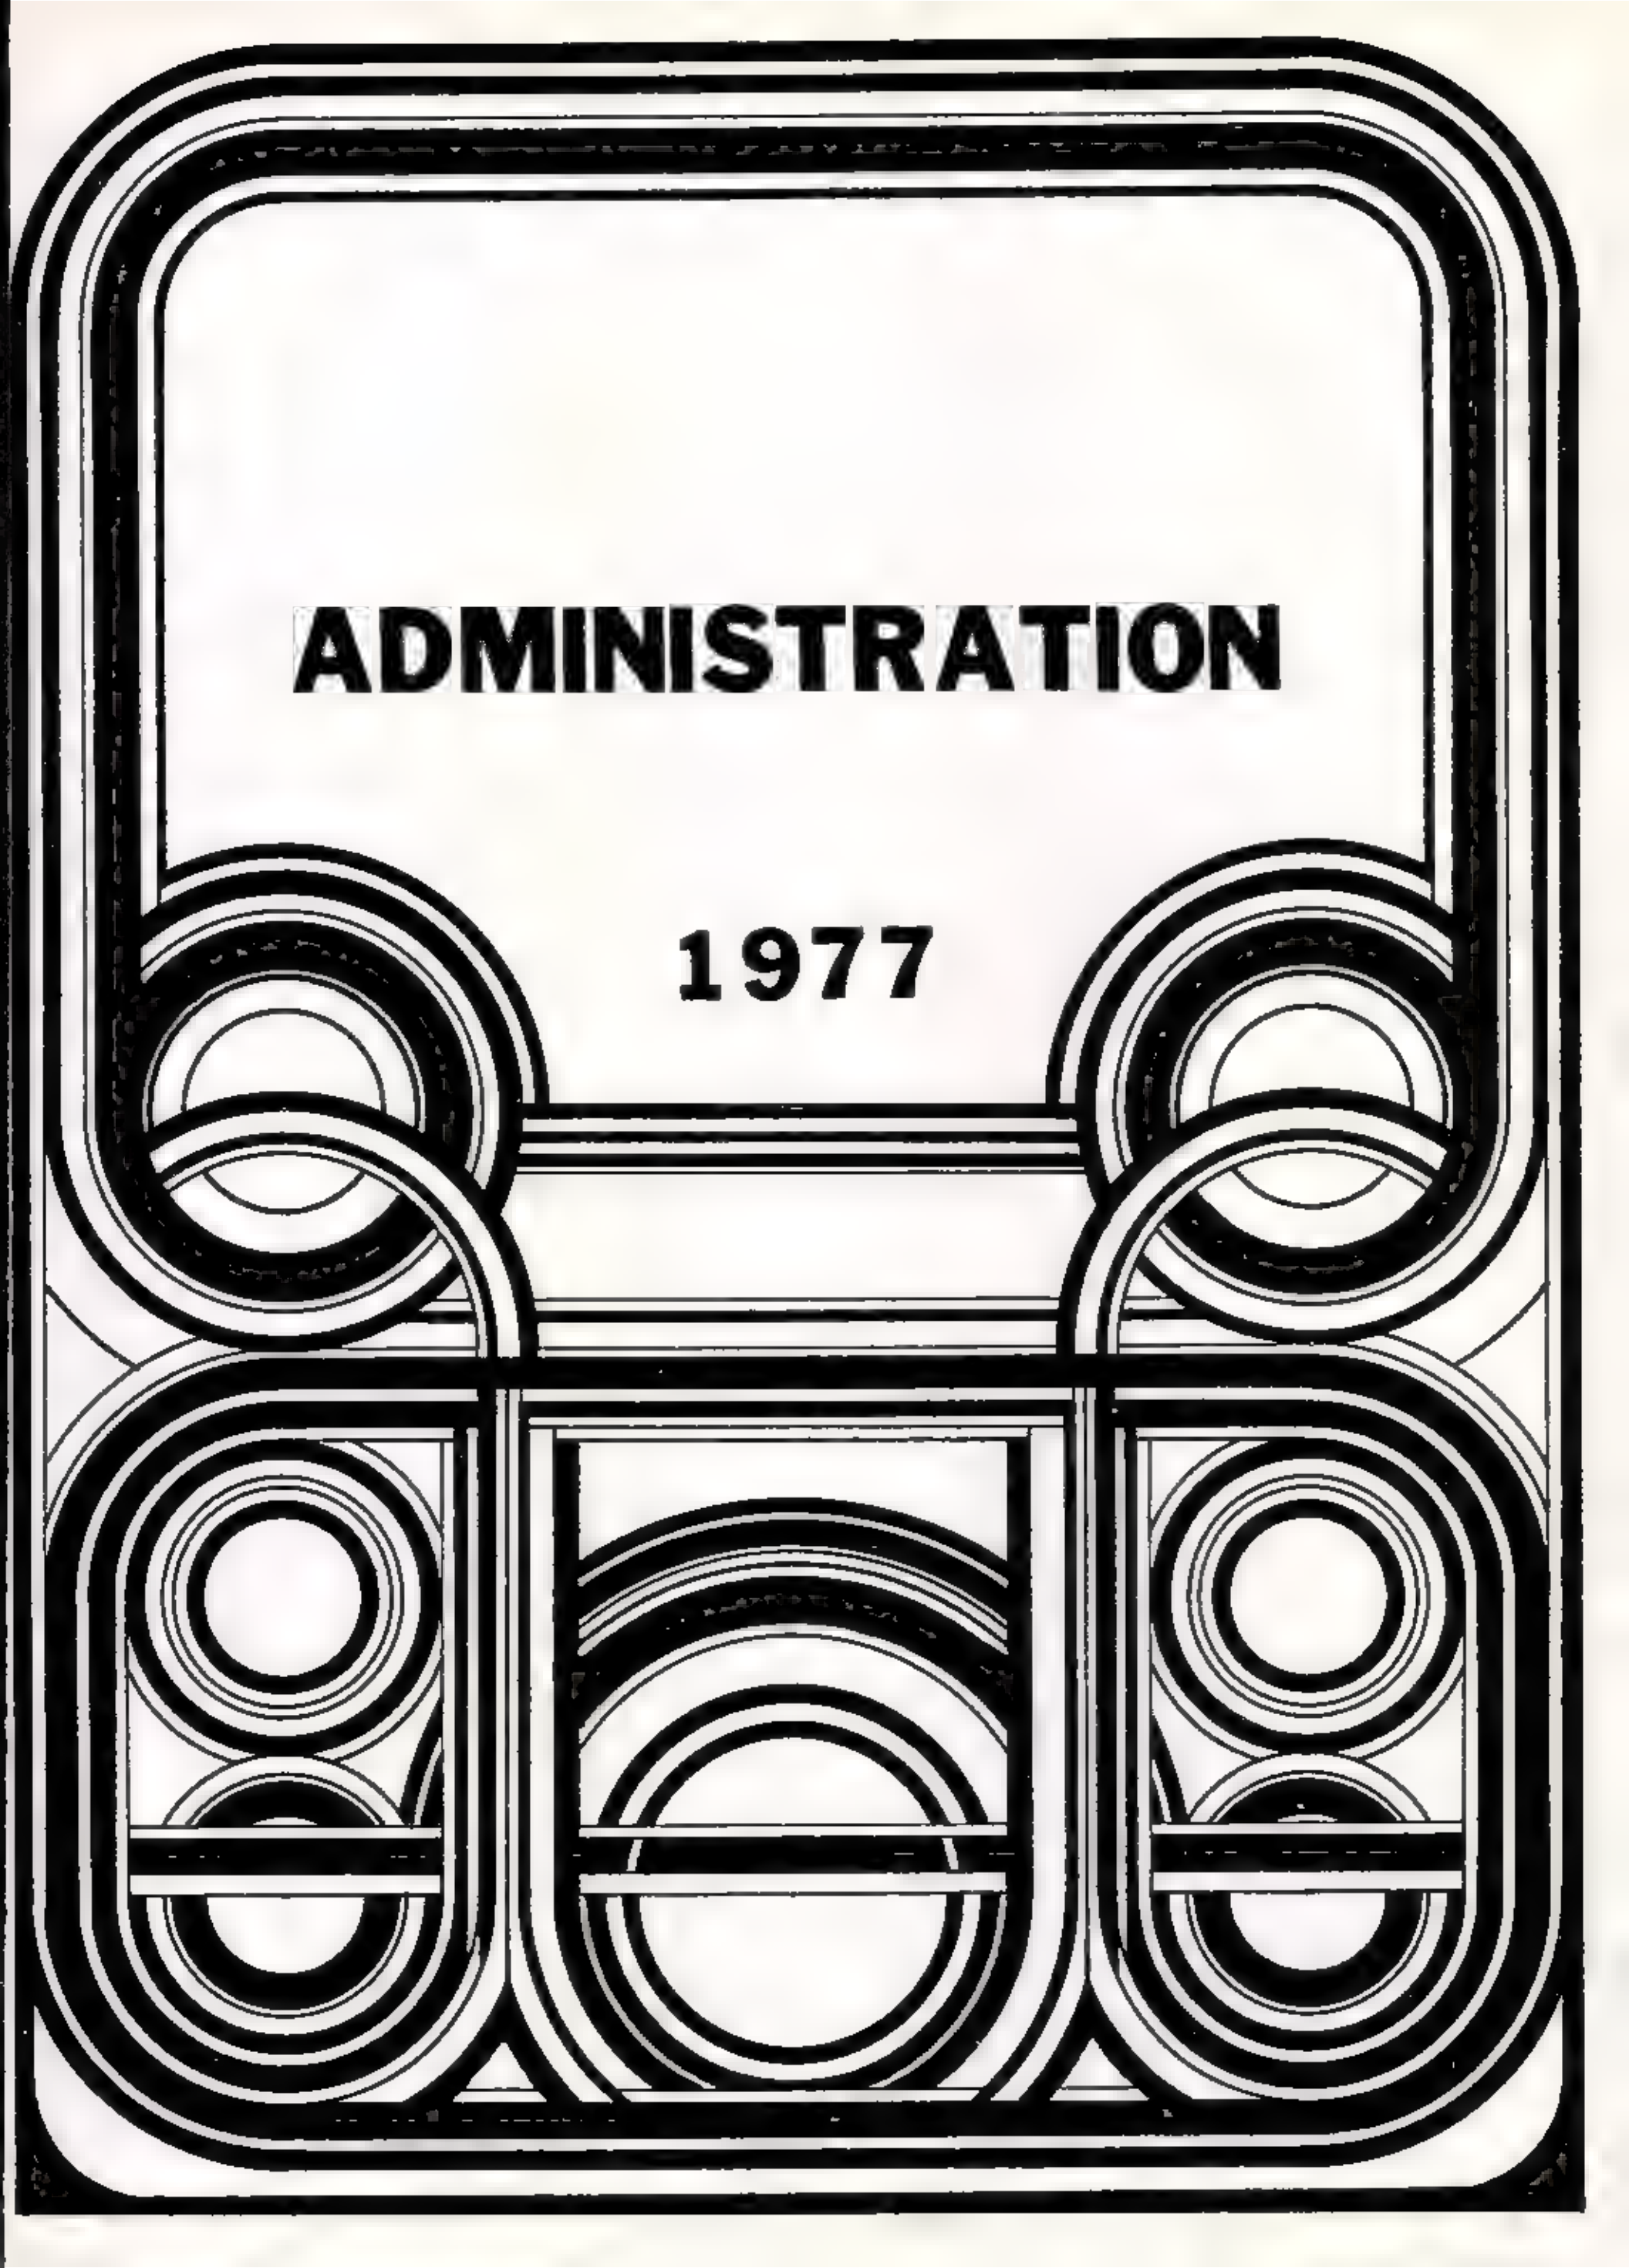

Homecoming nominees and their fathers are Pam Absher and Mr. Charles Absher, Barbara Hooper and Mr. W. J. Hooper, Elise Kelley and Mr. Parker Kelley and DeDe Young and Mr. Gerald Young. Elise was crowned Homecoming Queen, while Minnie Barnett Willingham, escorted by Sam Mack Hodges, was named Coming Home Queen.

Cheryl Baker was honored as Football Sweetheart and Lisa Howard Band Sweetheart at the Crowell game Nov. 5. Other nominees were Jan Ford, football and band; Elise Kelley, football and band; and DeDe Young, band.

SPORTS

1977

Pipers Take Bi-District Title

The Hamlin coaching staff for 1976-77 were, left to right, Larry Bartee, Bill Grissom (head), Andy Lowe, Jimmy Lisle, Keith Barrick and Garry Bartee.

Delbert Thompson shows a would-be Anson tackler why he gained 1,728 yards and scored 148 points in the 1976 season.

By Backhanding Baird 20-14

The Pied Pipers made the transition from Class AA to A by capturing the District 7 A and Bi-District titles before falling to Seagraves in the Regional game.

In Bill Grissom's first year as head coach, the Hamlin footballers boasted 9-3 and 6-1 season and district records respectively.

After losing their only district contest 33-22 to Crowell, the Pipers' only hope for the loop championship depended on a Haskell upset of league-leading Crowell, which the Indians promptly provided in the final Friday of district competition.

Thus Hamlin's 38-6 snow-covered, one-half drubbing of Rotan sent the locals to Abilene, where they held off the Baird Bears 20-14.

The Regional loss to Seagraves, 34-0, was played in Big Spring.

Reynolds wraps up a Greyhound and Jones moves in for the tackle, while Ledbetter, Thompson, Corley and Young look on.

Reynolds led the Pipers with 23 completions for 3 TD's.

The bench is thoughtful as the clock winds down during the Pipers' 47-2 whipping of Wylie.

Coach Grissom escorts a "shaken up" Carter.

Thompson scores again.

Charlie Brown nurses a sore ankle after scoring on a Tomlinson pass and hauling in an interception to ice the 12-0 shut out of Munday.

Hymer, Tomas Gonzalez, Jones and Carter gang tackle Robert Spells of Munday, an All-District 7-A running back.

Thompson's "fancy steps" run rampant over a hapless Wylie ten.

Coach Larry Bartee gets instructions over the headset from Coaches Lowe and Garry Bartee, who have a "bird's eye view" from the stands.

Lee matches his speed with a Wylie Bulldog.

The offensive line of Russ Lakey, Carter, McCracken, Tomas Gonzalez and Young open a huge hole for All-District back Thompson.

Mack wrestles down a Bulldog.

Stanley forces an incompletion as the "laundry" flies.

The Pipers took their bi-district title and an impressive 28-0 season record into Lubbock for the Regional Basketball Tournament, losing in the first round 64-53 to a well-disciplined, fast-breaking Stratford squad. The Hamlin Pied Pipers finished the season at 28-1.

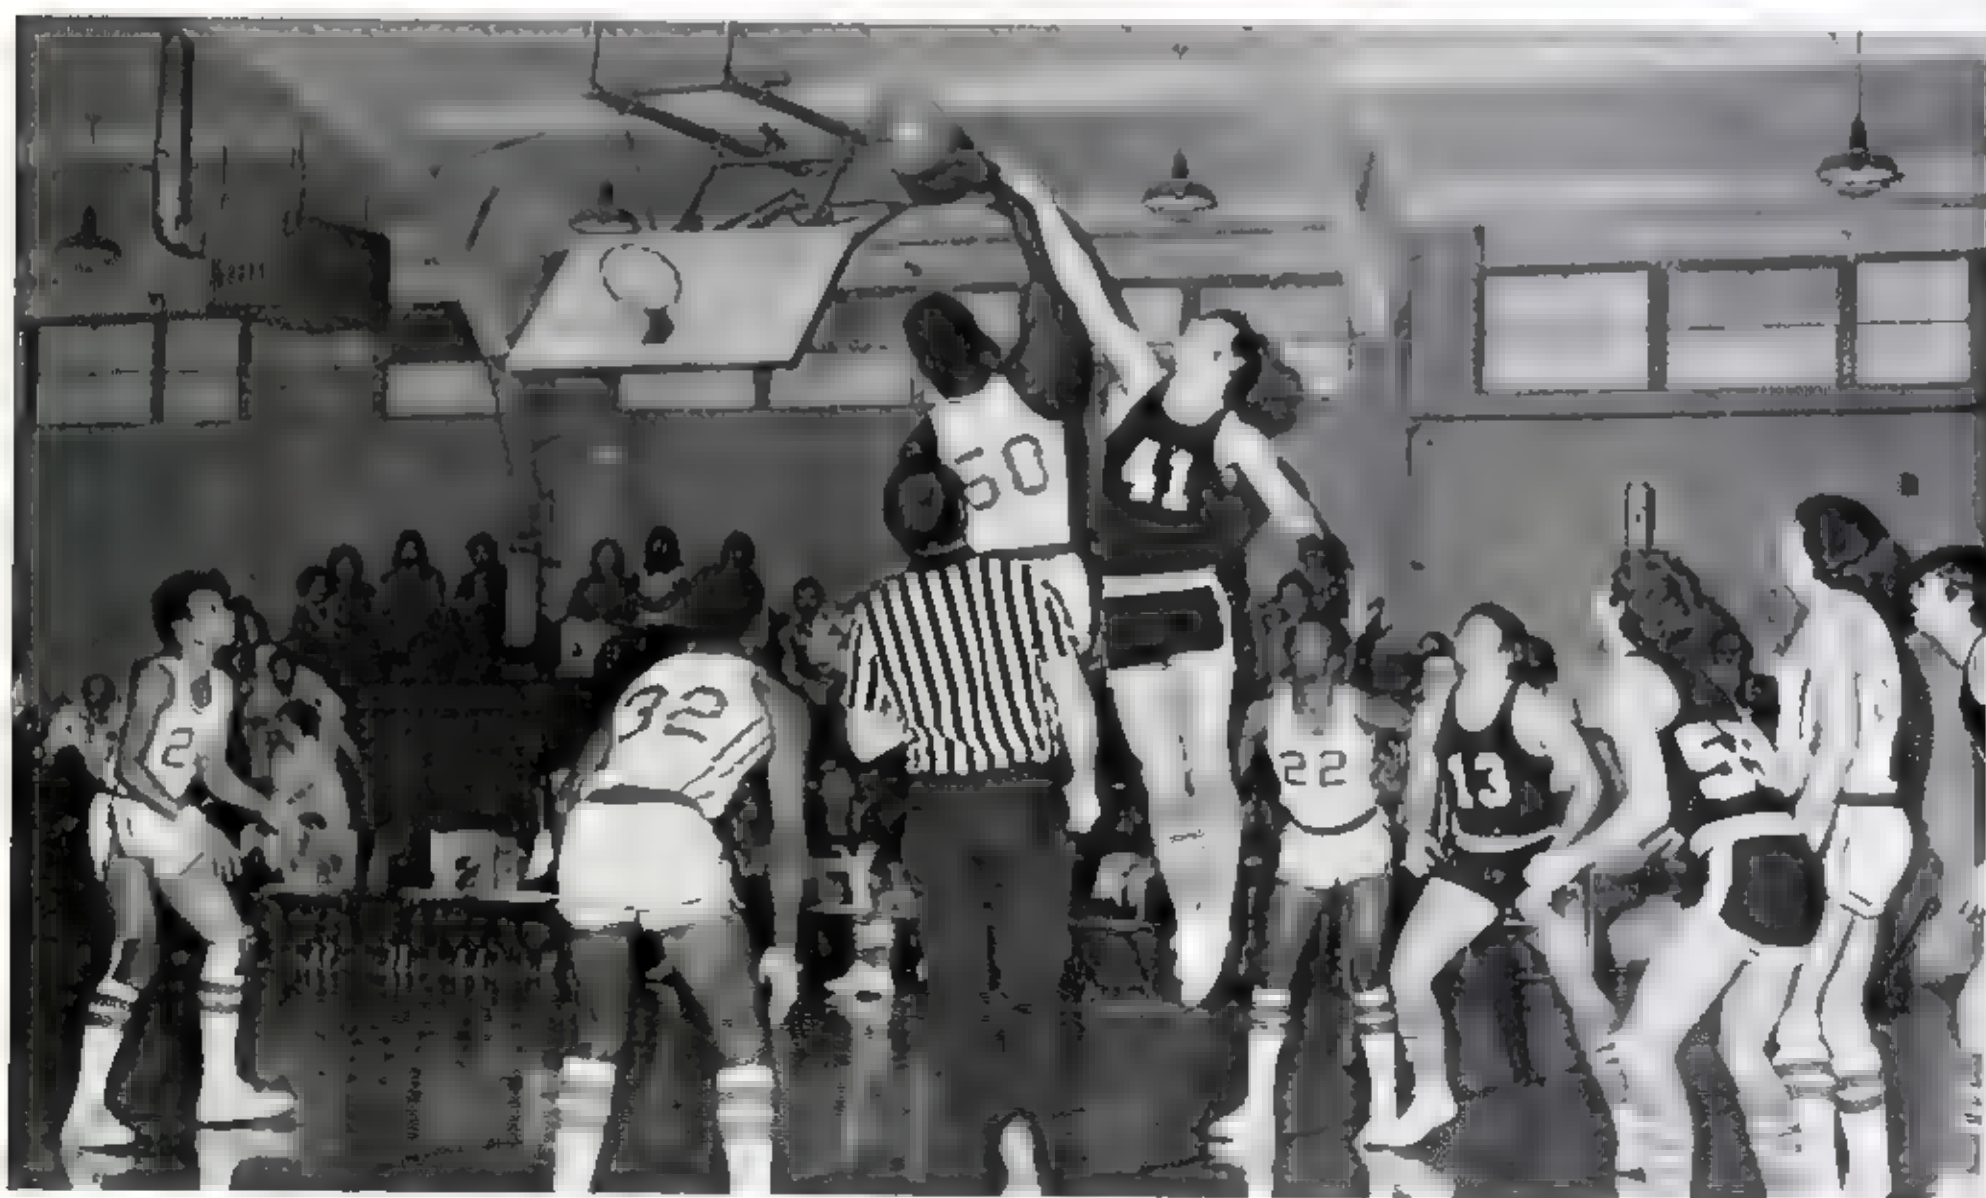

Hamlin earned the trip to Lubbock by taking the District 7-A championship unscathed (14-0) and by tromping Baird 85-69, whom they had beaten in a similar football play-off game, in the bi-district clash.

In non-district games Coach Keith Barrick's cagers piled up a 14-0 record while winning three tournaments and edging District 9-AA Breckenridge 48-47 in McMurry's Hunt P. E. Center in Abilene in a practice contest before the bi-district game.

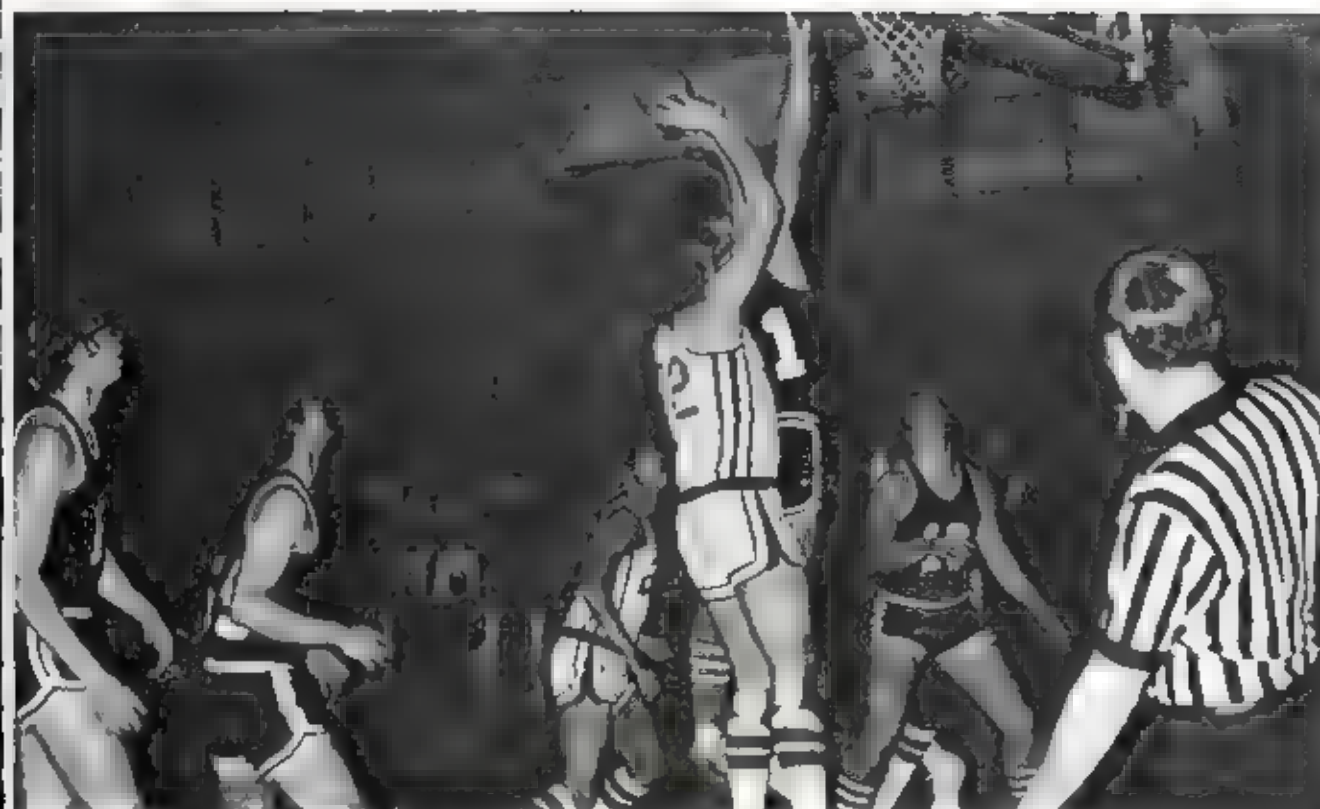

Seniors finishing their high school basketball careers were Charles Brown, Tomas Gonzalez, Stanley Jones, Paul Reynolds and Delbert Thompson.

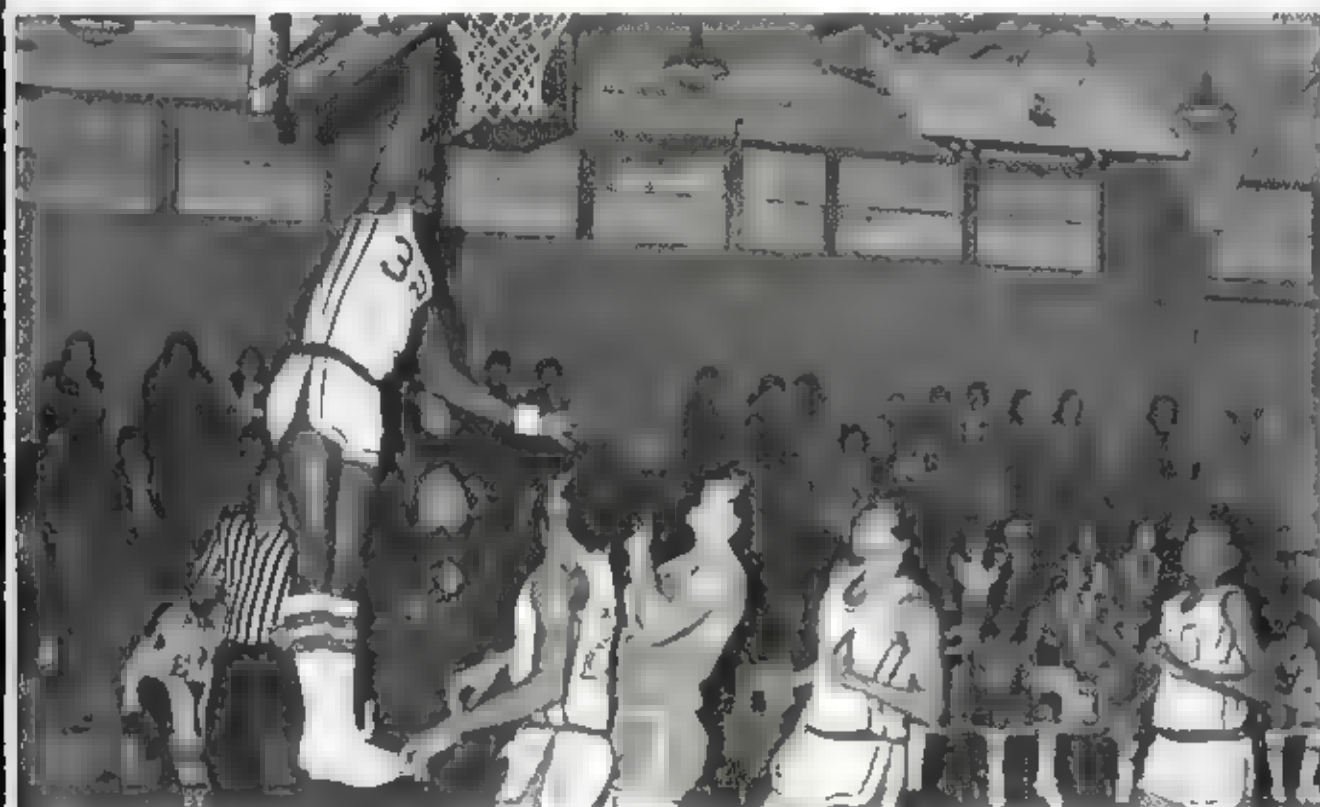

Bo draws a foul, while Charlie waits for the rebound

Another Piper victory is underway, as Delbert taps the opening tip-off to Bo.

Paul reinforces his dominance under the boards.

Chili pleases the crowd with an attempted "dunk."

Vance and Tomas watch a Delbert drive lead to two more points.

Delbert tips in a basket against Haskell.

The eyes show the pressures of a high school coach.

Pipers Go Undeclared in District

Chili shoots from the baseline, as Tomas, Wayne and Bo get position for the rebound.

Delbert found his name in every newspaper in the state when he signed a letter of intent with the University of Texas; as his mother, Mrs. Jimmy Lane, Coach Grissom and Leon Fuller from Austin looked on.

Stanley sinks another basket against Anson.

Delbert drops in a lay-up in the home victory over Haskell.

Harlin packs the gymnasium to watch the perennial champion Pied Pipers.

Cheerleading does not end with football season. The girls lead the cheers, as the team warms up at halftime.

Lowe's 8th Graders Finish 5-9

Eighth grade team members with Coach Andy Lowe are, left to right, John Neal, Gordon Roberts, Jonathan Cook, Jessie Willis, Mike Davis, Steve Contreras, Willie Johnson and Mark Young; and back row, Jessie Hooper, Carl Wade, Steve Reynolds, Travis Lain, John Jiminez, Mitch Lawlis, Mickey Williams and Joe Don Jeffrey.

Despite their 20-6 season record, one of the best in the area, Coach Bettye Jo Davis' Pipers could not get past Paducah and Crowell, as they finished in third place in District 7-A.

The girls compiled a 10-2 non-district record, were an "Honor Team" in one statewide publication and dominated their other five district foes for a 10-4 conference record.

However, 12 points in three games with the league-leading Dragons and Wildcats kept the Pipers from the district championship.

The junior varsity girls boasted a 12-5 record, relying mainly on the shooting skills of freshman Donna Bell who averaged 22.1 points per game. The other forwards and their averages were: Jami Crowley, 4.2; Teresa McMillen, 2.7; and Sharla Turner, 1.4.

Starlet arches a turn-around jump shot toward the basket.

Stacy launches a set shot from the free throw line to contribute toward her 14 point-per-game average.

The girls smile in the huddle during an easy win over Haskell.

Liz shows her free throw form.

Guards Tonya, Cheryl and Barbara provided a stingy defense and solid ball handling all season.

Tonya controls the opening tip-off with Stacy ready to control it.

Coach Raughton watches Eileen maneuver the ball toward mid court.

Tonya and Sherry work together to get the ball to the forwards.

Coach Bartee explains the offense to Teresa and Jami.

Donna shoots a long set shot, while Coach Barteo fills in for Coach Raughton.

Sharla tosses in a bucket with Donna and Teresa positioning for the possible rebound.

Raughton's 8th Graders Finish Well

Team members are, left to right and front row, Laveta Miller, Jackie Hooper, Veronica Chase, Deborah Server, Lorna Phariss, Gina Marshall and Coach Pam Raughton; and back row, Mary Hernandez, Pam Thornton, Kathy Prewitt, LaEtta Scifres, Karen Smith, Rita Maberry, Kay Bailey and Teri Weaver.

1977 proved to be a year filled with many different activities that enabled every student in Hamlin High School to participate in those events that appealed to him or her most. There was something for the sports enthusiast, both the spectator and participant; the honor student; the club worker; the future homemaker; and the future wage-earner. It was indeed a fun-filled year!
